

"To be prepared is half the victory." - Miguel Cervantes

Congratulations on your tremendous training effort to prepare yourself for the Tri for a Cure! Now, identify your fundraising goal. Then double it. This is your new goal.

Over the next eight weeks you'll train your body to compete, and you'll challenge yourself to meet your fundraising goal by engaging others in the process. Personalize your fundraising page, and aim high. Make it about you, or about someone you admire for their courage and determination. There is no failure in FUNdraising, but plenty of fun.

Thank you for your hard work!
